From the Principal:

Hi Midland Families,

I want to stop to appreciate our Veterans! This past week, our school was able to recognize the contributions of our Veterans with an assembly and students were able to do some work in their classrooms to learn more about this special holiday. Thank you for returning information with your family members who are veterans. They were honored in our assembly with stars that had their name, branch of service, and service dates.

Several of our students also have family members who are currently serving our country in one of the Armed Forces. On behalf of our Midland community, I want to extend our deep appreciation for all our military families. Thank you for your sacrificial service!

With gratitude,
Mrs. Dawson
