From the Principal:

Dear Midland Families,

This past Wednesday our school had a wonderful assembly, celebrating the life, hopes, dreams, and contributions of Dr. Martin Luther King, Jr. It was a wonderful time for our whole school, learning about how our hopes and dreams can make our school, community and world a better place. It is my hope that as your child has the day off on Monday that they do a “kindness” for someone. Please remind them that they have been asked to help someone in their family, neighborhood, or even talk through a plan of how they can make Midland a better school! If your child or family does something in service for someone on Monday, please have them write a note, telling what they did. I will be compiling these notes to document how our kids are making a difference!

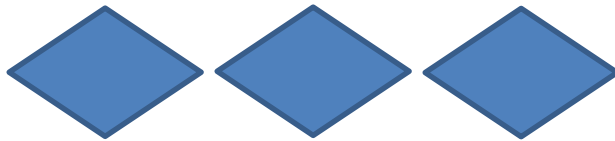

Enjoy the long weekend,

Mrs. Dawson
