

From the Principal:

Dear Midland Families,

This week is Nurse Appreciation Week and we have the BEST nurse in the business! Mrs. Debbie Stippich does way more than put band-aids on boo-boos. She is a medical professional who works with students and staff to provide the optimal health services to our students. Her work includes the daily illnesses and injuries of students, but she also helps with ongoing medical needs, dispenses medications, provides support to staff, and helps to be sure that we have as many students in class as possible. Mrs. Stippich always does her work with a smile on her face and compassion in her heart!

I am personally deeply appreciative of Mrs. Stippich and her work. Although she is often a "behind the scenes" team member, she provides our school with a very important service. Thank you, Debbie Stippich! Your Midland Elementary School staff honor and appreciate you!

Mrs. Dawson
