

From the Principal:

We have some exciting news to share with you!

Skyward Family Access is now available to parents and guardians. This tool contains several new applications to help parents and guardians track their students' education information.

Applications recently activated include:

- **Attendance** - monitor student attendance;
- **Food Services** – monitor and manage student lunch accounts;
- **Student Information** – review student demographic, family, and emergency contact information.

Primary family members received a *Skyward Family Access* username and password reset link by email in April. Additional parents/guardians may request access to the system by contacting their student's school office.

Additional *Family Access* features will be added during the summer of 2017 which will allow parents and guardians to request changes to student information, update emergency contact and student health information, and review and acknowledge receipt of important educational notices.

To learn more about *Family Access*, check out the instructional videos located on our district website under *For Parents – Skyward Family Access*: http://fpschools.org/for_parents/skyward_family_access.

Releases – Please remember that May 31st is the deadline for releases for next school year to have your children considered for placement at Midland.

Out of District – Students who live outside the FPSchools boundaries and currently attend Midland will be re-enrolled upon receipt of an electronic Choice Transfer from the school district in which you reside.

In-District – If your child attends Midland on a release from one of the other elementary schools in our district, the With-In District Student Transfer form is available on the FP website under "Parents" "Registration & Transfers".

Day Care – If your child is at Midland due to day care, the Day Care Verification form is also due on May 31st. The form is available on the FP website and at our office.
