This week is Kitchen Staff Appreciation week.

Thank you to Mrs. Pat Harris, Mrs. Shelly Reed and Miss Brooke Reed for all they do for us at Midland! Not only do they feed over 500 students breakfast and lunch every day, but they prepare and distribute our fruit and vegetable snacks. We appreciate all the work they do for us to quickly and efficiently serve so many Midland Mustangs.

Thank you!

Are you willing to share your talents and time?

Are you able to give a few hours – once a week, once a month, or once during the year – to help kids be successful at school? We would welcome your help – on the playground, in the classroom (reading or helping with math), making copies, or going on a field trip. There are many ways that your presence will benefit our students and staff. We know that each person has special abilities and gifts, and we would love to help you find a way to share those at Midland.

From the Principal:

Dear Mustang Families,

October is Bullying Prevention Month and Midland is working hard to be sure that all kids feel safe at school each day. This month our counselor, Mrs. Hagos, will be going into each classroom to discuss the definition of bullying, bystanders, and to educate our students on how to report bullying. Some characteristics of bullying are that it is targeted, repeated over time and possible in different locations, intentional, utilizing a position of power, and is not stopped on request. Sometimes bullying is confused with single incidents of students being mean or rude, or when students are involved with others in arguments or other conflicts. Students are our best reporters, and we encourage them to get help from adults who are close to the situation. If we do not know about a bullying situation, we can't help. Students and parents can report bullying to Mrs. Hagos, Mrs. Bulman, our Assistant Principal, or to any staff person. We have reporting forms and our district policy sets forth specific steps in handling any reports of bullying, harassment, and intimidation. I encourage you to speak with your child about the importance of getting help if they see bullying or feel that they are being bullied. We take this very seriously. As always, you are welcome to contact me if you or your child needs assistance with anything. I can be reached at 253-298-4501 or by email at paula.dawson@fpschools.org. Sincerely,

Paula Dawson, Principal
