

From the Principal:

Dear Midland Mustang Families,

We have many exciting activities happening at Midland in the coming weeks! Our state testing has finished and we still have learning to do, but we also have time to add some fun! Many grade levels have field trips in the coming weeks and field day is coming. Remember that you must be volunteer cleared to participate with your child's class in these events.

I want to say a special "Thank You" to each of our volunteers, from PTA members to classroom helpers! We want to honor our volunteers with a Volunteer Appreciation Tea on Monday, June 12th at 3:45. Our volunteers have received their invitations, so if you have volunteered this year and you have not received your personal invitation, please contact Dianne Waters at 298-4564 and she will get you signed up!

Have a great week!!

~Mrs. Dawson

Are you moving? We are preparing for next year and need to know if your child will not be with us for the 2017-2018 school year. Please call the Midland office at 253 298-4500. Thank you.

Midland Field Day, Monday June 19th!
Each classroom is looking for at least one volunteer to help us run our stations.
Please let your child's teacher know if you can help!

New Sunscreen Policy!

With all the activities that are happening during this time of year, we know your child can be outside in the sun for several hours at a time. Students are now allowed to bring sunscreen to school, but there are several specific rules we must abide by:

- Parents can apply sunscreen to their student or have them apply sunscreen before leaving for school.
- Students will apply the sunscreen to themselves at school. Staff will not be able to help.
- Students are not allowed to share their sunscreen with others because of allergy risks.
- Student's name should be written on the sunscreen container with a permanent marker.
- ONLY rub-on sunscreen should be sent to school (no sprays).
