**Word:** Responsible - When you are responsible, you take charge of yourself, including your attitude and your actions. You prioritize and put first things first

**Thought:** You must take personal responsibility. You cannot change the circumstances, the seasons, or the wind, but you can change yourself. That is something you are in charge of. - Jim Rohn

**Question:** You know that you have a project coming up in two weeks. How can you show responsibility to get everything done?

## From the Principal:

Dear Mustang Families,

I am so excited about the opening of this school year, perhaps more than any other. We have an excellent staff, wonderful teaching materials, and over 580 eager learners each day! I would like to share with you about Kids at Hope and the things that are new at Midland this year. Please plan to attend the Open House on Thursday evening to hear about all that's happening here! This is not a "come and go" event like the BBQ. The format is for families to come to the gym at 6:00, and then teachers have presentations prepared for 6:30 and 7:00. Ice cream bars will be provided. I am looking forward to seeing you there!

Mrs. Dawson
