Midland Manners

Word: Caring - when you are caring, you think about how you can help others. You seek first to understand and then to be understood.
Thought: Do your little bit of good where you are; it is those little bits of good put together that overwhelm the world.
 Desmond Tutu
Question: You see a classmate being left out. Some of your friends make fun of this person. What will you do?

From the Principal:

Dear Midland Families,

It has been wonderful to see so many families at both Muffins with Moms and Donuts with Dads. Thank you for coming and being involved. Research shows that students are more successful when they know that the school and their parents are working together for their success!

This week is Student-Led Conference week, which is another opportunity for you to be involved. Students and teachers have been preparing to share their goals for the school year with you. We are aiming for 100% participation, so please call to reschedule if you cannot make your scheduled conference time.

I look forward to seeing you around the building. Please let me know if there is anything I can do to support your student!

Sincerely,

Paula Dawson, Principal

Next week, **October 10th - 14th, is Kitchen Staff Appreciation week.** We are so fortunate to have Mrs. Pat Harris, Mrs. Shelly Reed and Miss Brooke Reed who not only feed 480 students breakfast and lunch every day, but prepare our afternoon fruit and vegetable snacks. We appreciate all the work they do for us, and encourage you to do the same.

Volunteers needed:

Please consider Volunteering for our 5th grade JA BizTown, December 13th. We need many cleared volunteers to make this a successful day for our students. Our district's volunteer application form is available on-line at fpschools.org

SAFETY PATROL:

We congratulate the students who have met the requirements of responsible behavior, excellence in class work, good attendance, and reliability, and are now working with Mrs. Lubbesmeyer as she supervises our Safety Patrol.
