We also extend a special thank you to our district level transportation staff who work closely with us on bus routes and schedules.

Word: Hopeful – When you are hopeful, you set goals for your future and work hard to reach those goals every day. You see yourself succeeding.

Thought: Great hopes make great men. ~ Thomas Fuller

Question: What are your goals and dreams in each of the Four Destinations? Make a plan.

From the Principal:

Dear Midland Families,

Communication... how do families know what is happening at Midland?

- 1) The **Midland Messenger** is our newsletter that goes home weekly. This bulletin is designed to be a quick look at what's coming up, with some short articles of information. It goes home each week through PeachJar to your email.
- 2) The **Sunday Night phone call** from me. I hope you find it helpful to hear about what's happening for the week each Sunday evening. This is one of the things I hear from parents that they really like. In order to continue to receive the Sunday night call, please be sure to sign an auto-dialer permission form no later than November 15th. (Most of you have. We are sending home another copy next week if we don't have yours yet.)
- 3) Our **school website** can be accessed through **fpschools.org**. Go to elementary schools and you will see Midland at the bottom. Our website is updated regularly with important dates and information.
- 4) **Classroom emails and information** comes from your child's teacher. If you ever have a question about that, you are welcome to email them directly!

If you are not sure what's happening at Midland, let us know and we will be sure you are connected.

Thanks!

Paula Dawson, Principal
